

GSH
SERIES

High Pressure Spray Type Hank Dyeing Machine

绞纱染色机

GSH系列高温高压绞纱染色机适用于多种纤维材料的绞纱染色，包括腈纶，涤纶，尼龙，低弹丝，羊毛，棉，麻以及混纺纱线等，具有广泛的适用性。此款染色设备具备多种功能，洗涤，漂白，精炼，染色及柔软等后处理可以在一台机器上完成，提高生产效率，降低生产成本。

GSH Serieshigh temperature high pressure hank dyeing machine is suitable for dyeing various fiber material, including acrylic, polyester, nylon, low elastic yarn, wool, cotton, hemp and their blended yarn, with wide range of applicability. The dyeing machinery has variety of functions : washing, bleaching, refining, dyeing, softening and other post-processing can be completed in one machine, improving production efficiency and reducing production cost.
